

Purpose/Mission

The Lanark Area Community Foundation is advised by local volunteer community ambassadors. Our mission is to equip both individuals and nonprofit organizations with tools which support charitable giving, and make grants that contribute to the quality of life in eastern Carroll County, Illinois.

History of Impact

The Lanark Area Community Foundation became a component fund of the Community Foundation of Greater Dubuque in 2016.

Recent grants and programs have included Lanark Workation and Non-Profit board training.

How do endowments work?

Endowments are invested by our professional wealth managers in a diversified portfolio. Endowments pay out up to 5% annually. The remainder is reinvested to ensure that funds exist into perpetuity. The LACF board makes grants from its endowment.
